

LOCATION: Shore Road, Newtownabbey
CLIENT: BELB
MAIN CONTRACTOR: McAleer & Teague
COMPLETION DATE: April 2016

PROJECT DESCRIPTION

Belfast High School has benefitted under the Schools Enhancement Programme –Sports Facility with the development of a new Sports Hall, Drama Studio, Fitness Suite and associated changing and amenities as well as a new AstroTurf hockey pitch and new car parking.

The new 690 square meter Sports Hall was a new build project requiring the demolition of the existing sports facilities at Belfast High School.

The electrical project was to upgrade the main NIE supply to the existing school and install the complete electrical installation in the new Sports Hall and hockey pitch.
