Project Profile—QUB Lynn Library

LOCATION: University Square, Belfast
CLIENT: Queens University Belfast
MAIN CONTRACTOR: Woodvale Construction
COMPLETION DATE: March 2015

PROJECT DESCRIPTION

The Lynn Library was a two-storey, grade B listed building, This £4 million project allowed the building to be beautifully refurbished to create a Graduate School in a key historical location on the Main Site.

The ground floor offers reception and administrative support space, training facilities, meeting rooms, and social spaces. The building’s first floor features a central open-plan, double height, vaulted space with masonry gothic arches and aisles to each side. This internal space features a Postgraduate Study Room as well as a large social/breakout/circulation space, with smaller rooms coming directly off the aisles
