## Project Profile—Antrim Health Centre

**LOCATION:** Station Road, Antrim  
**CLIENT:** NEHSCT  
**MAIN CONTRACTOR:** Woodvale Construction  
**COMPLETION DATE:** July 2014

### PROJECT DESCRIPTION

The works at Antrim Health Centre focused on the refurbishment and upgrade of the existing sections of this large Health Centre.

The project was complex and demanded a phased approach to the refurbishment of more than 100 rooms in a live, medical environment which houses 5 individual GP practices.

With considerable demolition works and subsequent alterations Antrim Health Centre was reconfigured with the creation of many new amenities for its patients.
