

LOCATION: Fitzwilliam Street, Belfast

CLIENT: Queen's University

MAIN CONTRACTOR: TAL Ltd

COMPLETION DATE: November 2015

PROJECT DESCRIPTION

Student accommodation at Guthrie House in Fitzwilliam Street provides purpose built student housing comprising of 6 flats, each accommodating 13/14 students with a kitchen and a common room.

The refurbishment included installation of electrical service such as lighting and emergency lighting, public address systems, alarms and security systems in kitchens and bedrooms.

Additional QUB student accommodation at 11-19 Mount Charles and 26-50 Mount Charles was also given a refurbishment. These houses allow 7/8 students to live in one house in self-contained rooms with communal kitchen and bathroom.
