

Education

Project Profile—University of Ulster

LOCATION: Cromore Road, Coleraine
CLIENT: Ulster University
MAIN CONTRACTOR: Woodvale Construction
COMPLETION DATE: January 2017

PROJECT DESCRIPTION

The £5.1 million development, funded by the Department for the Economy, will provide a modern sports center for Ulster University’s Coleraine campus and will include eight multi-sport indoor courts, a fitness studio and upgraded changing facilities.

The new Centre provides - 8 court sports hall; fitness suite; studio; internal & external changing; office and meeting accommodation; athletes lounge and internal and external storage. The facilities will be used for a broad range of sporting activities throughout the year including student sports, competitions and University club training.

The state of the arts sports facility has been developed to accommodate the high demand for student sport whilst creating a fitness & wellbeing hub that can be accessed by the local community.
