Project Profile—Queen’s MAP Phase 3

LOCATION: QUB Belfast
CLIENT: Queens University Belfast
MAIN CONTRACTOR: Ganson
COMPLETION DATE: July 2017

PROJECT DESCRIPTION

The refurbishment of the Old Physics building was complete in December 2014 and was the first phase in the consolidation and integration of the School of Mathematics and Physics (MAP) accommodation at QUB.

This was followed by Phase 2 which was complete in April 2016, in the creation of a MAP Teaching Centre in the former International and Postgraduate Student Centre. Now this project is the third and final phase of the upgrading of the new Physics department.
